Cardio Weight Training —A rigorous full-body workout that gets your heart pumping and muscles moving This class combines a cardio bases routine with targeted strength exercises. Class may incorporate props for a more intense strength workout.

Cycle Bootcamp —A high energy cycling class that's fun, energetic, and a great combination of strength and cardio. Going at a comfortable pace, but feeling motivated by high energy music, your instructor and peers, you'll experience a highly efficient, total body workout.

Hatha Yoga —A beginner yoga class that focuses on the foundation as well as alignment and breathing with each pose. You will leave feeling stronger, rejuvenated and balanced in mind, body and spirit.

HIIT Body — Expect a sweaty good time! "High Intensity Interval Training" is a type of interval training which combines short periods of explosive aerobic and strength activity with brief recovery. Designed to kick your fitness up a notch, come find out why HIIT is considered one of the most effective formats out there!

Pilates — Total body conditioning that focuses on aligning the spine and strengthening the core. This class helps improve posture, flexibility, balance and body awareness while making the body more efficient and less prone to injury.

Power Hour — An hour filled with total-body conditioning and motivational support! This class is designed to build strength, endurance, speed, and help you power through your fitness and life's everyday demands. Suited for all levels.

SWERK—Sweat and work! The world's best hip-hop cardio fitness workout.
